 NO JUNK, DATA SPACE OF OLDER

 DESIGN CONTEST RULES

 1. All entries must be submitted by the deadline.

 2. Entries must be accompanied by a brief description of the rocket's design and function.

 3. Entries will be judged on creativity, innovation, and feasibility.

 4. Prizes will be awarded based on the judges' discretion.

 5. All entries become the property of the Rocket Times and may be used for promotional purposes.

 6. This contest is open to all registered participants.

 GOOD LUCK!
