Would you believe.....!

Wednesday afternoon the contract was signed for the new Estes Complex. The building will cost approximately \$193,000, and should be completed by mid-winter or early spring. Shown on the front page is a picture of Jim Elliott (of Earl Fraser Construction Co.) and Vern. Below is an artist drawing of the attractive structure. Construction should start soon. More on this will be in the next Launch Pad.

...The Company Picnic was a great success, with about 200 people attending. Thanks to all for the big turnout. Congratulations to the Champions--Mackie Young won the rocket-spot landing contest by placing her rocket, a Mars Snooper, only 29 feet from the rod. Don Chumbley took second with a landing of his Astron Mark, 48 feet from the rod. The first heat of the sack race was won by Georgene Street, with Juanita Seal second and Pat Harmon third. The second heat was won by Cecila Young, with Susan Chase second and Laurine Thomas third. A run-off of the six winners ended with Juanita Seal winning and everyone else on the ground. The three legged relay was won by Mackie Young, Lyn Griffin, Juanita Seal, Mark Campbell, Susan Chase, Paula Campbell, and Cecila Young.

The lucky plate was held by Jean McPherson. A white elephant auction concluded the picnic. Two excellent auctioneers ran the proceedings--Vern "Speed" Estes and Roy "Hairless George" Burns.

We all thank the entertainment committee headed by Gene Street and food committee headed by Gleda Estes.

The big day has come and gone, and aside from a few sore muscles, it leaves fond memories and fun pictures...
